

Press Release (First North: WPAY)

FOR IMMEDIATE RELEASE
13 November 2018

WESTPAY: The company presents on Redeye Technology Day November 20 2018

On November 20, Sten Karlsson, CEO Westpay, presents the latest developments from Westpay at Haymarket by Scandic in Stockholm. The presentation will be broadcasted live and can be followed at www.redeye.se

The presentation will also be available later on at <https://www.redeye.se/live/tech-day-2018> and on www.westpay.se

About Westpay

Making a payment must be simple and secure. You should be able to choose the payment method that best suits you and your customers, now and in the future – wherever you have your business.

Westpay enables all of this. We provide smart transaction- and payment solutions for merchant in-store as well as for the e-commerce and self-service markets. We are able to offer a complete solution for all types of payments and for all kinds of applications within various industries, such as retail, hotels and restaurants and the retail banking sector.
